

TAPESTRY
ONLINE LEARNING
JOURNAL

Tapestry Online Learning Journal

What is Tapestry?

- ▶ Tapestry is an online learning journal system
- ▶ There is an app and browser version available
- ▶ We can use it to record your daughter's learning and development using tablet devices and PCs
- ▶ We have already set you up as parents. You should have created your own secure logins so you can view and add your own observations to your daughter's journal
- ▶ At the end of the academic year we can export a PDF copy of your child's journal and a ZIP file including photos and videos for you
- ▶ If they move to another setting also using Tapestry, their journal can be transferred across as well as your account

Why are we using Tapestry?

- It creates a two way communication between us (the staff), and you (the parents/guardians/carers)
- We can upload media, meaning you can see pictures and videos of what your child is really up to whilst they are with us
- There are greater opportunities to extend your child's learning at home – you can add your own observations and communicate with us whenever you like
- Unlike a physical, hard copy book, it's easy to share with groups of relatives, such as extended families and relatives living overseas

How is the data kept safe?

- ▶ A password is required to access Tapestry, remember the stronger the password you set, the more secure your account is
- ▶ You are linked manually to your child/children so you can only view observations for them
- We don't need to store any of the data entered onto Tapestry, they store it for us on secure cloud servers within the EU
- ▶ Data is stored separately for each school
- ▶ Tapestry's developers and support personnel require our permission to access our Tapestry account
- ▶ For more information about Tapestry security you can go on their website <https://tapestry.info/security.html>

Logging in

- u Once you activate your account you can then login using your email and password
- u You can reset your password by email if you forget it
- u Passwords are case sensitive
- u Remember to set a strong password
- u You can read this article for some guidance on how to set a strong and memorable password

The screenshot shows the login interface for Tapestry Online Learning Journal. It features the logo at the top left, followed by the text 'TAPESTRY ONLINE LEARNING JOURNAL'. Below this are two input fields: 'Email address' and 'Password'. A blue 'Log in' button is positioned below the password field. At the bottom left, there is a link that says 'Having trouble logging in?'.

Observations

- u When you login to your account you will be able to see any observations for your child that have been added to their journal
- u You will be able to see any photos/videos attached to the observation, though if it's a group one, this will depend on whether all of you giving your consent for other relatives to see photos/videos including your child
- u Underneath the media you will see the notes of the actual observation
- u You can also add your own observations

Listening to a story

Notes

This morning, after we had all tidied up, we sat on the number carpet where one of our teachers read a story about a little girl who is searching for a star. (Laura's Star). We all listened really well and discussed various aspects of the story. We each made our own predictions of what might happen next and how we think the story might end

Notifications

- Notifications have been set so that you are emailed when observations have been added to your daughter's journal.
- Notifications have also been set so that you are emailed when a memo has been added to your daughter's journal.
- On the app (only on the new version) you can also receive push notifications

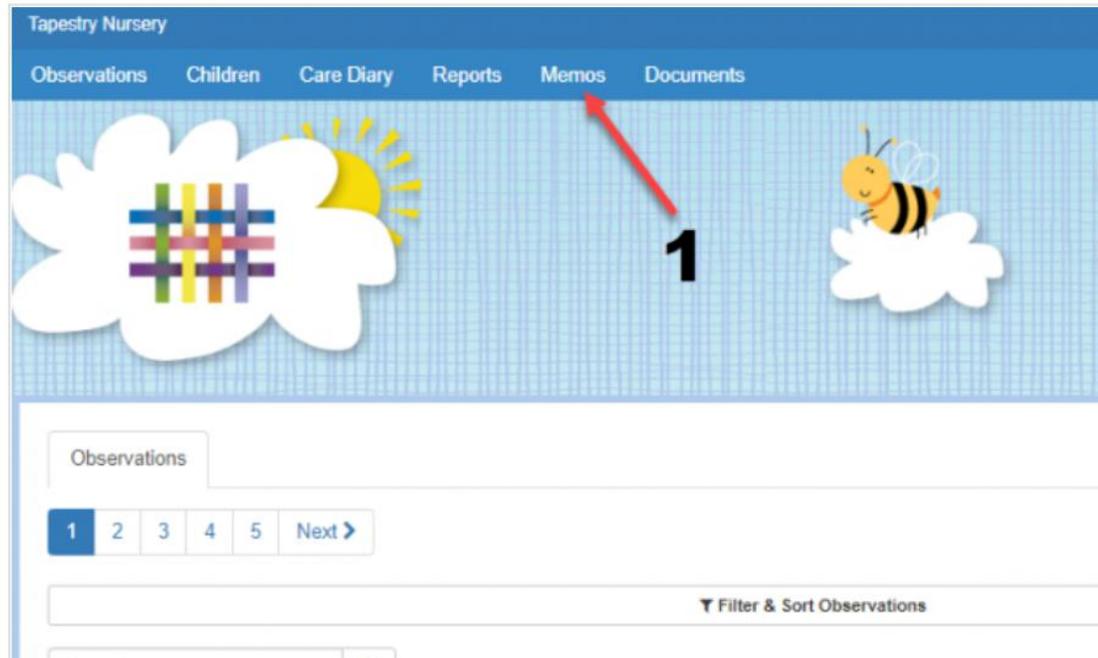

Memos

- This new feature allows us to upload videos, pictures, documents and links.
- You will receive an email notification once a Memo has been added to your daughter's journal.
- It is only available on the **browser version** of Tapestry. Use the menu on the top left and select **memo** to view what has been uploaded.
- All Guided Home Learning (GHLS) tasks; videos and all the linked documents will be sent through Memos on Tapestry.
