

Year 4 Week 12 English Overview

	Monday	Tuesday	Wednesday	Thursday	Friday
Lesson Objective/Learning Goal	To answer comprehension questions written by your classmates	To write a letter to your Year 5 teacher	To create a book review that you would recommend to your classmates for a summer read	To write advice to the new Year 4 class	To look into the future...
Activity	<p>Join Mrs Pressley at 9am for a recap of the text</p> <p>Reread the text carefully</p> <p>Choose 10 questions to answer. Attempt one extension question</p>	Follow the Powerpoint for a reminder of how to write a letter and what needs to be included in your letter.	<p>Join Mrs Pressley at 9am to discuss what needs to be included in your book review.</p> <p>Follow the powerpoint to find out how to create a book review.</p> <p>Record your book review and post on the English team for your classmates to watch</p>	Follow the powerpoint for some ideas you could use to create an A to Z of advice for being in Year 4.	<p>Picture yourself in the future. This might be when you are 30 , 50 or even 80 years old.</p> <p>Imagine you are telling someone your memories of 2020. What did you learn during lockdown? How did things change? What were the good things that came out of it?</p>
Resources you will need	All resources will be on Teams	iPad/ Laptop	iPad/Laptop	iPad/Laptop	iPad/Laptop
Tips, clues or things to help	Make sure you answer in full sentences where possible.	Impress your new teacher with your punctuation, grammar and language skills.	Think about how you will let people know how good this book is? Will you use props, costumes? What words will you use? How will you use expression in your voice?	Think of all the aspects of being in year 4, including things that might be new such as iPads. What advice would you give about homework, learning times tables, spellings etc.	You can write these memories down in the first person as a monologue or you can film yourself as the future you, telling your memories.

Want to check?	Submit your answers on Teams.	Submit your work on Teams	Submit your work on the English Team for your classmates to watch.	Submit your work on Teams. Mrs Pressley might post some on the Year 3 team for them to see.	You can submit your work on the assignment, or you can post it on the English Team if you would like to share your work with your classmates
Additional activities	Write the next part of the story. What do you think happens next?	Write a letter to one of the new girls starting in Year 5 telling her about our school	What book would you recommend to someone in Year 1 or Year 2?	What was your best moment in Year 4? Can you write a poem about it?	Have a wonderful summer holiday!

Year 4 Week 4 Maths Overview

	Monday	Tuesday	Wednesday	Thursday	Friday
Lesson Objective/Learning Goal	To carry out consolidation activities on Century	To carry out consolidation activities on Century	To make an explanation video	To make an explanation video	End of term activities- will be published to Teams
Activity	<p>Century:</p> <ol style="list-style-type: none"> 1. Tables 2. Bar Charts 3. Line graphs <p>10.30-11am Maths Clinic with Miss Baldwin if you need any help with your work or haven't understood something. Please 'dial in' if you need help. Please make sure that you bring the specific question with you that you need help with. A meeting has been scheduled in your calendar</p>	<p>Century</p> <ol style="list-style-type: none"> 1. Mixed multiplication 2. Multiplying by 12 3. Dividing by 12 	<p>10.30-11am Please join the Maths call at 10.30am to find out more about the task!</p> <p>(Planning session) You have two days to complete this task. You should plan your work today and film it tomorrow. Please Choose an element of Maths that you used to find tricky but that you now feel really confident with and that you feel you have mastered! Make a video explaining your method, imagine it is for a younger child so you need to be the teacher and be clear with your explanation! When it comes to choosing a topic it could be how to divide or carry out column addition or how to solve word problems. Perhaps you found bar modelling really tricky but now you can carry out</p>	<p>Film your masterclass video and share it via Teams.</p> <p>Please send Miss Baldwin your video via Teams message as well as sharing your video on the Maths Team for everyone to see on Thursday.</p> <p>Please send it directly to Miss Baldwin rather than as an assignment. Message Miss Baldwin if you need help doing this.</p>	

			problems confidently? It is totally up to you! Look back in your books for inspiration and make sure you join the call at 10.30am.		
Resources you will need	Century login IPad or laptop Pencil and paper for working out	Century login IPad or laptop Pencil and paper for working out	IPad or laptop	IPad or laptop	
Tips, clues or things to help	Watch the Century videos to help	Watch the Century video to help	Join the Maths call at 10.30am	Go over your notes from yesterday. Rehearse what you want to	
Want to check?	Your teacher will check your work on Century	Your teacher will check your Century	Message your teacher if you need help.	Message your teacher if you need help	
Additional activities	**Century-pictograms	**Mathletics	**TT Rockstars activities	**Swap videos with a friend, what have you learnt from them?	
<p>*All will do ** Most will do</p>
