

# Parent Guide To Accessing Firefly (SCHS Virtual Learning Environment)

## Step 1

Enter [schs.fireflycloud.net](https://schs.fireflycloud.net) into any web browser.

## Step 2

You should see the following on your screen. Now click on the link (the green area) to activate the account.

You will now see the following:

A screenshot of the Firefly website's account activation page. The page has a dark header with the name "Streatham". Below the header, there are two main sections: "Activate account" on the left and "Or log in with" on the right. The "Activate account" section includes a "Parent login" heading, instructions to enter an email address or username, a text input field with a person icon, a blue "Activate account" button, and a "Log in" link. The "Or log in with" section has two options: "Site login (Firefly)" with a key icon and "Pupil/Staff Login" with a person icon.

Enter your email to activate your account. You should then see the following:

## Check your mailbox!

An e-mail with details of how to access your account has been sent to your registered address.

The Parent Portal will then send you an email. Please check your junk filters if you do not receive the email.

### Step 4

Go to your email account and select the link that appears in your email.

#### **Hi Paul Parent**

To access your new account and set a password, please use the link below:

## Step 5

Create and confirm a password. The password is one of your own choosing. You can be reminded of it or change it at any time.

## Step 6

You will now be logged in to the Parent Portal and should see your SCHS Firefly page. It will look similar to this:

Feel free to explore all the pages that can be found in the menus. You will also see pages recommended to you and announcements and messages.

The next time you log in with your Parent account, simply use your email and the new password you have just created.
