

Dear Parent,

We understand that family life is busy, and co-ordinating different school schedules, personal and work diaries, alongside school dates should be as simple as possible.

Therefore, all school events can be found on our live-online calendar hosted by SOCS, a platform that is used widely by many independent schools. You can find the calendar [here](#).

SOCS allows you to filter the school diary so you only see the dates that are relevant to you and, in addition to viewing online, you can sync your bespoke school calendar to your mobile, tablet, or computer so it can be viewed with your other calendars.

If you have daughters in different year groups, or wish to view sport dates separately, you can sync different versions of the calendar or choose to sync the entire date list to your device.

To help you get started, we have created a [short video](#) showing how to access, filter, navigate, and sync the school calendar to your devices.

If you wish to bookmark the page, the link is <http://calendar.schs.gdst.net/>

As always, if you have any feedback, we would be pleased to hear from you, and we look forward to welcoming you to the school at the start of the next academic year. In the meantime, I do hope the rest of the term goes well for your daughter.

Yours sincerely,

Helen Loach,
Head of Prep
